

Specifications:

Printer

Print Speed: up to 60 ppm Colour #10 envelopes
Processor: EFI X8e 1 Ghz Intel Celeron
Film Storage: 40 GB Hard Disk Drive
Print Resolution: True 1200 x 1200 dpi
Duty Cycle: Up to 150,000 pages per month
Connectivity: RJ-11, RJ-45; USB v2.0
Network I/F: OkilAN 10/100 Base-T Internal Ethernet Print Server Standard
Emulations: PCL 5c, PCL 6: Adobe Post Script 3 standard (Adobe 3017);
Direct PDF Printing (Windows OS only)
Operating Systems: Stand-alone and network - Windows Vista (32-/64 bit), XP, Me, 2000, 98;Mac OS X 10.4.3 and higher
Resident Scalable Fonts: 136 Adobe Post Script fonts; 45 PCL fonts
Bitmap (PCL)Fonts: Line Printer, OCR-A and OCR-B

Copier

Copy Speed: up to 36 cpm Colour; up to 40 cpm Monochrome
First Copy Out Time: as fast as 12 sec. Color; 11 sec. Monochrome
Warm Up Time: Less than 30 seconds
Operator Panel: 8.4-sq. in. Touch screen LCD; full-colour GUI
Copy Resolution: 600 x 600 dpi
Copy Modes: Mixed, Text, Photo, Hi-Resolution
Copy Scaling: 13 preset settings
Zoom Range: 25% to 400% in 1% increments
Density/Sharpness Control: 11 levels (lighter/darker)
Colour Intensity Control: 11 levels + 4 colour presets
Background Removal: 11 levels
Copy Quality Selection: 1-999 copies from original
Copy Features: Auto Scaling, N-up, Edge/Centre Erase, Contrast, Brightness, Book Copy, Job Build, Job Offset, Duplex, Auto Tray Switching, Margin Shift
Size/Orientation Auto-Detect: Differentiates between Letter/Legal, Letter/Landscape, Letter/Portrait, and Tabloid originals

Scanner

Scan Type: Duplex single-pass feed (ADF scans both sides at same time)
Scan Method: Colour CCD; 24-bit colour depth
Scan-to-ECM: EFI SendMe embedded optional ECM connectors
Scan-to-Email/Scan-to-File
File Formats PDF, TIFF, M-TIFF, JPEG, PCX, MS Word
Protocols SMTP, POP3, FTP
Mail Server Authentication LDAP, User Level, Kerberos/Simple
Authentication Server Types MS Active Directory 2000/2003, Lotus Domino R6.5, MS Exchange 2000/2003

Networking

Auto Protocol and Port Switching
IPv6 Support and SSL Support: IP over SSL, LDAP over SSL
SNMP v3 Support
Auto IP: DHCP and BOOTP
NDS and SMB Support
AppleTalk and NetWare6 Compliant:IPP, NDDS gateway printing, point and print
Port 9100 (with BiDi Support)
IPP Support
Bonjour Support

Specifications:

Print Speed: up to 60 ppm Colour #10 envelopes
Processor: 800 MHz PowerPC 750
Standard RAM: 512 MB
Print Resolution: True 1200 x 600 dpi
Colour Management: Color Matching software and colour correct from OKI Printing Solutions, PS Gamma Adjuster.
Duty Cycle: Up to 150,000 pages per month
Connectivity: 10/100/1000 Ethernet, High Speed USB v2.0. Parallel
Network I/F: All major network protocols supported. 10/100/1000 Base TX Ethernet card with internal web server
Emulations: PCL 5c, PCL 6: Adobe Post Script 3
Operating Systems: Stand-alone and network - Windows Vista (32-/64 bit), XP Home/Professional, XP Server 2003 x 64; 2003 Server; 2000 Workstation /Professional/ Server/ Advanced Server. Mac - OS 9.2/OS 10.2.4 and higher
Resident Scalable Fonts: 136 Adobe Post Script fonts; 86 PCL fonts, 1 bitmap font, 10 true type fonts. OCR A/B, USPS Barcode
Paper Size: 3" x 5" up to 12.9" x 47.24" - through manual feed tray

Specifications Of Feeder:

Media Handling:
Width: 3" up to 12"
Length: 5" up to 18"
Thickness: Single sheet up to 3/8" thick
Speeds: Up to 10,000 envelopes per hour
Power: 120 vac, 5 amp standard (240 optional)

The DigiXpress was designed to make your laser printer more productive. Capable of holding 500 envelopes, the top-load design means no annoying delays for reloading envelopes! The DigiXpress easily handles envelope, postcards, and other hard to feed pieces.

- Solid, heavy duty paper guides extend All The Way Through The Feeder!
- Repositionable Feed Belts--Lets you customize the feeder for every piece!

Competitive feeders require removal of the printer's manual fed trays, sacrificing versatility. Not with the DigiXpress. If you are running #10 envelopes with the DigiXpress and need to print on a different size piece, simply slide the feeder back and use the manual tray as usual!

With our unique floating acceleration table, the DigiXpress easily rolls up to your printer with no wiring, mechanical latching or removal of trays! Simple set the feeder up, roll into place and run!
